DETAILED ACTION

Allowable Subject Matter

Claims 1-16 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or suggest a device having all of the claimed limitations. While various types of board games are well known, and in particular numerous games relate to information regarding health and wellness, the specific features of the claimed invention with regard to the content of the board and game cards as recited in the claims is not suggested by the prior art. As a result, the claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Cain, McKay, Bowles, Kanelos, Weiss and Jones disclose various educational board games.
